Hi Laurie,

Hope all is well !

As you know, Councilmember Mike Bonin and Councilwoman Nury Martinez recently adopted the attached Motion regarding the City's concern with upcoming large scale events attracting human trafficking and prostitution.

This issue is very important to the Councilmember and we want to make sure your members are aware of the training and education programs the LAPD is offering to help enable hotel staff/employees identify human trafficking and prostitution, and notify LAPD. This is a great way for the hotels and the LAPD to build a strong relationship surrounding this issue.

It is my understanding you guys have a Security Committee that meets with LAPD and hotel staff to coordinate training efforts, but unfortunately there has been a low turnout. I was wondering if there is any way our Office can help attract more attendance to these meetings? We would love to help in any way possible, and if interested, we could have LAPD come down to your next Board Meeting and have them introduce themselves to the Board.

Please let us know, and thanks again for all your help.
